18. Stanton Hill/Meden Bank

**Key:**

**TRA – Tenants & Residents Association**

**CA – Community Association**

Many estates within Ashfield now have a recognised tenants and residents group. The groups work with their local Elected Members and officers from Ashfield Homes to improve their communities. Each group has different aims and objectives and works at it's own level and pace.

We are always looking for new opportunities to set up more groups and with several regeneration initiatives, including the modernisation and improvement works taking place in Ashfield, now is a great time to get one started!

If there is no interest in starting a group in your area but you would still like to become involved with local housing and community issues, then why not become a tenants voice? It allows you to become involved with the Forum meetings and focus groups and acting as a two-way communicator with other local tenants and residents and Ashfield Homes.

**For further details, please contact the Tenant Participation Officer on 01623 608921**
